On the fourth weekend of June every year, the town of Galesburg, IL celebrates its railroad heritage. Come along with 20th Century Railroad Club on Amtrak and join the party! Board Amtrak's morning *Carl Sandburg* at Chicago Union Station, LaGrange Road, or Naperville and find your seat in the Club's coach. The Café car sells snacks, sandwiches and beverages. "Eat in" at the Café tables or "carry out" to your seat. After 162 miles of Illinois farms and towns, we reach Galesburg at mid-morning.

Begun as a prairie college town in 1836, Galesburg grew with the arrival of the railroads. The Galesburg

Railroad Museum is right next to the Amtrak station. The building holds an extensive collection of railroad memorabilia. Outside you can see a 1930, 4-6-4 Hudson class steam locomotive, CB&Q #3006, Railway Post Office car, a Pullman Parlor car and two 1950's inspection cars complete with track maintenance tools.

Nearby, a special shuttle bus runs a circuit to the Burlington Northern Santa Fe yards. See on-track displays of current railroad equipment as well as hump action. Back in town, several highway bridges offer great vantage points for watching and photographing trains. At Carl Sandburg College, visit the massive model train layout. Then shop the vendors at the railroadiana show. Have lunch in one of the local restaurants, pork sandwiches outside the station or stroll the carnival, flea market and street fair for festival foods.

Galesburg has other history as well. At Knox College's Old Main building, see the outdoor site of the Oct. 7, 1858 debate between Sen. Stephen Douglas and challenger Abraham Lincoln. Lincoln biographer and American poet Carl Sandburg was born in Galesburg on Jan. 6, 1878. Visit his three-room cottage birthplace. See "Remembrance Rock" under which lie the ashes of Sandburg and his wife Lilian.

After eight hours in Galesburg, we catch the early evening Amtrak train back to Naperville, LaGrange Road, or Chicago. Catch a light supper in the Café before the late evening arrival.

What You Need To Know about traveling with "The Century"

WHAT WE ARE... If you enjoy trains and travel, we have a lot to offer you! The 20th Century Railroad Club is an educational and historical organization (incorporated not-for-profit) dedicated to promoting the advantages — and celebrating the history — of travel by rail.

WHAT WE DO... Since 1971, the 20th Century Railroad Club has specialized in planning unique rail-oriented trips for its members, their guests and the public. Most of our trips include at least one ride on a train or trolley.

In recent years, 20th Century has teamed up with tour providers for some of our trips, to offer superbly structured tours all around the U.S., with professional escorts.

Some of our trips are loosely-structured to allow our passengers to choose exactly how and where they will spend their time at a destination, In such cases we will provide information on available destination options.

You should think of traveling with “the Century” as an adventure — a unique experience that may not be entirely predictable, but is nearly always much more fun than you'd have on your own! WHO CAN GO? YOU CAN! Unless a trip is marked “for Club members only,” anyone may travel with us. Of course, our members receive advance notice of all our trips in our monthly newsletter, THE FAST MAIL, and are always first in line for the limited space available. If you're not yet a member, we invite you to sample our public trips and our members meetings before deciding to join our Club.

TYPES OF TRIPS... We offer five categories.

First are One-Day Adventures by various modes.

Second are Getaway trips: These are two to four-day trips via Amtrak and/or other carriers. They usually span weekends and are open to the public.

Third are “Vacations with the Century”: These special five- to ten-day trips, which are open to the public, are the most elaborate we offer. While the ideas come from our Trip Committee, all travel and lodging arrangements are made by a professional tour operator with special expertise in group travel by rail and other carriers. These vacation packages are among the finest available to the train-oriented traveler, and are designed to offer the highest value for your travel dollar.

Fourth are chartered trains, which are open to the public and usually travel to destinations not accessible by regularly scheduled service.

Fifth, we may offer trips available only to our members. Other trips may not be listed in this Catalog, and instead will be advertised in our monthly newsletter for members, THE FAST MAIL, or posted to our website.

Sixth are Private Varnish (PV) tours. What are they? Travel on special or historic railcars, rebuilt and upgraded to ride the rails in wood paneled luxury, complete with first class accommodations. Vista domes, observation cars, and meals cooked on board fit for royalty. Best of all, upon reaching your destination city the train itself is your hotel, centrally located for touring. Our PV train sets are quite possibly the finest rail passenger cars to ride American rails. Absolute elegance! We have taken the service, and rail cars of the past and upgraded everything to today's far higher standards ... for you!

WHY WE DO IT: There is still a special magic to traveling by train. It's a chance to travel in comfort and style; to slow down, settle back, watch the scenery and enjoy a journey the carefree, car-free way.

As Agatha Christie wrote, “Trains are wonderful... To travel by train is to see nature and human beings, towns and churches and rivers...in fact, to see life.”

So, come on along for a ride on the railroad — it's the most civilized form of land transportation.
