The Day's Activity

This will be a guided walking tour starting at the visitors center. The historic Pullman Visitor Center houses exhibits on Pullman, providing an interpretive look at the town of Pullman, the Pullman Palace Car Company and their founder George M Pullman.

After viewing a twenty minute introductory video on Pullman, the guided walking tour begins. The docent will take you on a short walk of the town while providing commentary on the history of Pullman, the architecture, and the landmark historic community today. You will experience a walk back in time as you view the original buildings of the town, as almost the original 1880's housing still stands today. The tour lasts 2-3 hours.

After the tour there will be time for questions or walking on your own.

For your convenience and comfort you may want to stop at any of the listed restaurants. In walking distance of the Visitor Center, there are 3 sandwich shops/dining available, including:

Cal-Harbor Restaurant and Lounge at 446 E 115th Street and Potbelly at 756 E 111th St., & Clubhouse at Harborside Golf Course at 11101 S Doty Ave.
