Hoosier Valley Railroad Excursion Train

Track down two of Indiana's train attractions on this one-day trip to the Hoosier State. It starts with convenient pickups at the Mount Prospect Metra station then Chicago Union Station, Continuing into the Hoosier State, our comfortable charter motorcoach makes a stop en route for lunch on your own.

North Judson was a special place in northwest Indiana, crisscrossed by four Class I railroads with 125 trains a day. All were gone by the mid-1980s.

To preserve their heritage, a local group formed the Hoosier Valley Railroad Museum in 1988. Every Saturday they open their museum, a replica Chesapeake and Ohio station, and offer train rides on part of the old C&O branch line. Of their 30 pieces of rolling stock, the prize is C&O 2-8-4 "Kanawha" locomotive #2789 currently under restoration.

See the museum's photographs and artifacts, then climb aboard their unique excursion train for a round trip ride. Take your choice of several cabooses or an open-air sightseeing car. Motive power is usually their 1947 ALCO switcher now restored to its E-L livery (photo above). See several other switch engines when we visit their shops. Shop for HVRM souvenirs back in the station.

Visit www.hoosiervalley.org for more information.

The Chicago, Indianapolis and Louisville Railway operated almost entirely in the Hoosier State. It carried passengers and freight from Michigan City and Chicago to Indianapolis and Louisville. The road was better known as the Monon, the name of the town where its two lines crossed.

It also served the silk stocking trade to the mineral springs resorts at West Baden and French Lick, and college kids at Lafayette (Purdue) and Bloomington (Indiana University).

In 1971, the Monon was merged into the Louisville and Nashville Railroad, now part of CSX. Amtrak's *Cardinal* and *Hoosier State* still ride 93 miles of the old Monon between Dyer and Lafayette.

Since 2005, the CI&L is remembered at the Monon Connection Museum and Whistle Stop Restaurant in its hometown. Its sign hangs from a massive railroad crane. See the museum with its eye-popping display of dining car china and silver, hundreds of lanterns, plus steam engine whistles and bells. The adjacent restaurant offers a full menu for dinner on your own, complete with a model train operating overhead.

Visit www.mononconnection.com for more information.

After a full day of Hoosier railroading, our motorcoach returns you to Union Station or Mount Prospect in mid-evening.

Trip price includes motorcoach transportation, excursion train ride and museum admissions.

What You Need To Know about traveling with "The Century"

WHAT WE ARE... If you enjoy trains and travel, we have a lot to offer you! The 20th Century Railroad Club is an educational and historical organization (incorporated not-for-profit) dedicated to promoting the advantages — and celebrating the history — of travel by rail.

WHAT WE DO... Since 1971, the 20th Century Railroad Club has specialized in planning unique rail oriented trips for its members, their guests and the public. Most of our trips include at least one ride on a train or trolley.

In recent years, 20th Century has teamed up with tour providers for some of our trips, to offer superbly structured tours all around the U.S., with professional escorts.

Some of our trips are loosely structured to allow our passengers to choose exactly how and where they will spend their time at a destination, In such cases we will provide information on available destination options.

You should think of traveling with “the Century” as an adventure — a unique experience that may not be entirely predictable, but is nearly always much more fun than you'd have on your own! WHO CAN GO? YOU CAN! Unless a trip is marked “for Club members only,” anyone may travel with us. Of course, our members receive advance notice of all our trips in our monthly newsletter, THE FAST MAIL, and are always first in line for the limited space available. If you're not yet a member, we invite you to sample our public trips and our members meetings before deciding to join our Club.

TYPES OF TRIPS... We offer five categories. First are One-Day Adventures by various modes.

Second are Getaway trips: These are two to four-day trips via Amtrak and/or other carriers. They usually span weekends and are open to the public.

Third are “Vacations with the Century”: These special five- to ten-day trips, which are open to the public, are the most elaborate we offer. Travel and lodging arrangements are made by the club or a tour operator with expertise in group travel by rail and other carriers. These vacation packages are among the finest available to the train-oriented traveler, and are designed to offer the highest value for your travel dollar.

Fourth are chartered trains, which are open to the public and usually travel to destinations not accessible by regularly scheduled service.

Fifth, we may offer trips available only to our members. Other trips may not be listed in this Catalog, and instead will be advertised in our monthly newsletter for members, THE FAST MAIL, or posted to our website.

Sixth are Private Varnish (PV) tours. What are they? Travel on special or historic railcars, rebuilt and upgraded to ride the rails in wood paneled luxury, complete with first class accommodations. Vista domes, observation cars, and meals cooked on board fit for royalty. Best of all, upon reaching your destination city the train itself is your hotel, centrally located for touring. Our PV train sets are quite possibly the finest rail passenger cars to ride American rails. Absolute elegance! We have taken the service and rail cars of the past and upgraded everything to today's far higher standards ... for you!

WHY WE DO IT: There is still a special magic to traveling by train. It's a chance to travel in comfort and style; to slow down, settle back, watch the scenery and enjoy a journey the carefree, car-free way.

As Agatha Christie wrote, “Trains are wonderful... To travel by train is to see nature and human beings, towns and churches and rivers...in fact, to see life.”

So, come on along for a ride on the railroad — it's the most civilized form of land transportation.
